Mr. Wolff,

warden Stillwater min
is it not possible for
you to get the governor
to call a extra meeting
to act on Mrs Sasak Purvis
pardon as we would
like to start from
here a Board January
th 11 we have the ear
engaged & would like
for him to go a long
as his time is so short
out & demand - See as
the Board could appear
if they knew & he will

how to get some place
to stay & then make
the long trip a few
days try to get the
admission if possible
Let me know what
you think a hour or
by return mail if
you please

Yours truly
