ORDER FOR ADMISSION.

The above application is hereby approved, and Frederick L. Hartman
Co. 144th Reg't Ill. Inf Vols., will be admitted to the Illinois Soldiers and Sailors Home at Quincy.

Sept 26 1893
George W. Hoop
Superintendent Illinois Soldiers and Sailors Home.

SPECIAL NOTICE.

Applicants must send their discharge, or a certified copy thereof, *from their last enlistment*, with their application; if discharge is lost, destroyed, or in the Pension Office at Washington, D. C., then write to the Adjutant-General of the State to which you were accredited, for a certified copy of your last enlistment and discharge, giving your full name, Company and Regiment. If a pensioner, send pension certificate also. *These papers will be retained by the Superintendent, and returned to the member when he is discharged. This rule is adopted to prevent the loss of such papers and certificates, and to hinder fraudulent practices.*

Applicants are notified that the notice sent them of the approval of their application, does not insure their admission to the Home. The final order for admission is not given until the applicant has been examined by the Home Surgeon, and such examination must clearly prove the disability of the applicant.

The applicant should bring a serviceable suit of clothing with him, if possible, to be used when he leaves the Home. It is not expected that members will wear the clothing belonging to the State when they go away on a furlough, or are discharged. A valise may be brought; but a trunk is objectionable.

After filling out this application and executing it as above directed, forward it, with the other papers, to the Superintendent, whose name is printed on the first page of this sheet.

Transportation will be sent when application is approved.

EXTRACTS FROM THE RULES AND REGULATIONS OF THE BOARD OF TRUSTEES.
